EXPERIENCE

Ark Design B.V. Netherlands	2024 - 2026
WordPress Developer:	

I am a Web Designer and WordPress Developer with experience at ArkDesign B.V., where I create responsive and user-friendly websites. I also work as a Graphic Artist and Motion Video Editor, producing creative visuals and engaging video content. I focus on clean design, functionality, and delivering quality work.

Pilar E-sports Association Pilar, Surigao del Norte	2023 - 2026
Social Media Manager:	
Created engaging digital graphics for events, promotions, and team branding. Supported the association's visual identity by designing creative layouts and social media content for the gaming community.	

Seahawks Multimedia	2025 - 2026
Graphic Artist & Video Editor:	
Created engaging visual materials and multimedia content to support the institution's branding, marketing, and communication initiatives. Designed promotional graphics, publications, and social media content, while editing videos for events, announcements, and campaigns to effectively enhance the school's digital presence and audience engagement.	

Freelancer	2022 - 2026
Graphic Artist & Video Editor:	
Worked as a freelance Graphic Artist and Video Editor, creating visual designs and editing videos for various clients	

and businesses. Produced graphics for branding, marketing, and social media content while delivering high-quality video edits and creative solutions that met client requirements and deadlines.
